

WX JAKL

CHANGEABLE

MIL-PRF-32432A ANSI Z87.1 ISO12312-1

The WX JAKL is engineered to deliver exceptional performance and protection across any terrain. Interchangeable lenses allow the sunglasses to adapt quickly to changing light conditions, ensuring clear vision in every environment. The streamlined wraparound design provides a secure, comfortable fit while reducing peripheral light. Dual injected rubber temples enhance grip and stability, keeping the frame firmly in place when it matters most.

LENS OPTIONS			*LIGHT TRANSMISSION VARIES +/- 3% DEPENDING ON MODEL		
	GREY	SELENITE™ POLYCARBONATE	WEIGHT: 14 GRAM	LT: 15%*	COATING: HARD COATING, ANTI FOG
